3 ABOUT COMEDK

COMEDK is the “Consortium of Medical, Engineering and Dental Colleges of Karnataka” – an autonomous institution consisting of senior academicians and reputed administrative officers who have been associated with the educational eco system. This autonomous COMEDK was entrusted the responsibility to organize testing procedures to determine the merit of aspiring students in an effective, fair, transparent and non-exploitative procedure by KPCF (Karnataka Professional Colleges Foundation – Medical & Dental) and KUPECA (Karnataka Unaided Private Engineering Colleges Association). By this, COMEDK has been serving 16 Medical, 24 Dental and around 190 Engineering Colleges. COMEDK since its inception in 2004-05 has been conducting the annual entrance exam for Undergraduate and Postgraduate courses in the member institutions and has also been organizing single window centralized counseling process over the last 15 years. In all these years, the efforts of COMEDK have been appreciated by all the Government appointed Admission Overseeing Committees and also been mentioned by the Hon’ble Supreme Court as the model examination.

Subsequent to the National Eligibility-cum-Entrance Test (NEET) being mandated as the only acceptable entrance exam for admission to Medical and Dental courses in the country, COMEDK continues the evaluation process for the members of KUPECA i.e., around 190 Engineering colleges. **For the current academic year 2022-23, COMEDK would conduct an online examination all over India on Sunday, the 19th June 2022, across 400 centers for Engineering programs which offer around 20000 seats** and will be followed by online counseling.

Karnataka having been pioneers in establishing premier professional higher educational institutions, still continues to be the most preferred after destination for students who seek quality in established colleges.

The said test will be held keeping in view the triple test criteria of being fair, transparent and non-exploitative and to ensure merit-based admissions through a single common entrance test followed by centralized Online counseling as envisaged by the Hon’ble Supreme Court in TMA Pai Foundation Vs. the State (2002) 8 SCC 481, Islamic Academy of Education Vs. the State reported in (2003) 6 SCC 697 and PA Inamdar Vs. the State of Maharashtra reported in (2005) 6 SCC 537.

This Brochure provides a fair idea as to how and what the candidates have to follow as procedure for filling the application, eligibility criteria, test procedures, eligibility to participate in seat selection process, mandatory certificates / documents to be produced, securing the Test Admission Ticket, the malpractices and the measures required to be observed for avoiding the same, consequences of such malpractices, etc.

Applicants are required to read this brochure thoroughly, so as to familiarize themselves and adhere to the rules strictly. Further, COMEDK’s website www.comedk.org contains information and current updates/alerts. This site is updated regularly. COMEDK suggests all applicants to visit it frequently for relevant information.

26.3 ANNEXURE-I NORMALISATION PROCESS AND TIE BREAKER RULES ADOPTED

In view of the COVID-19 pandemic and the applicable COVID appropriate protocols, the examination of COMEDK UGET 2022 / Uni-GAUGE E 2022 is planned to accommodate only 50% of the candidates in all the test centers, which has necessitated the exam to be of 2 sessions, one in the morning and one in the afternoon.

The academic team of COMEDK UGET 2022 / Uni-GAUGE E 2022 have taken every care to ensure equitable subject coverage and difficulty levels and normalization of the 2 sets of question paper of morning and afternoon sessions in line with the practice adopted by IIT's.

In view of exam being conducted in two sessions, it is decided that the test scores of the candidates will be taken in percentile for announcing rank.

Percentile is derived by "Percentage of candidates who have got equal to or lower score than the candidate". This percentile is normalized between the 2 sessions.

In case of ties in the total percentile scores, if any, the same will be resolved using the following revised tie breaking rules, in the order specified:

- 1) Higher Percentile score of Physics and Mathematics marks taken together.
- 2) Higher Percentile score in Mathematics.
- 3) Higher Percentile score in Chemistry.
- 4) Age of the Candidate, the elder candidate is ranked higher than the younger candidate.

The candidates are required to refer to the COMEDK web site www.comedk.org only for all updates
