Notification

Sub: Accommodating supplementary candidates in Round 3 – reg.

COMEDK had notified the eligibility criteria for participating in the COMEDK UGET – 2022 counseling vide notification dtd. 19.07.2022 and a schedule was published on the COMEDK website for conducting Round 1 Counseling which was in line with the schedule prescribed by the statutory authorities. Along with the Notification, a counseling quick guide was also published wherein it was mentioned that the supplementary candidates of current year (those who have passed supplementary exam in 2022) will be given a chance to participate in Phase 2 of Round 2 counseling.

But after publishing the counseling quick guide, many students taking supplementary/ compartment exam in 2022 have expressed their concern as their results will not be available before the start of Phase 2 of Round 2 counseling and requested to allow them to participate in Round 3 instead of Phase 2 of Round 2.

This matter was discussed in detail and keeping in view the interest of supplementary students, it has been decided that all the supplementary candidates of current year (i.e. those who have passed the supplementary exam in 2022) will be allowed to participate in Round 3 counseling of COMEDK UGET 2022. The same has been brought out in the Counseling Process Document also.

All other terms & conditions brought out in the Counseling Quick Guide dtd. 19.07.2022 and notification will prevail to the extent not contrary to this notification.

The candidates are required to refer to the COMEDK website www.comedk.org regularly for all updates.
